GUSTORY

Un tocco di gusto per la tua cucina

Gustory è un ritorno alle origini, Gedy nasce infatti producendo casalinghi, tra cui gli accessori cucina, per poi dedicarsi nel tempo esclusivamente agli accessori bagno. Il marchio Gustory è il connubio di "gusto" + "history": un omaggio alla nostra storia, uno sguardo contemporaneo sul vivere quotidiano.

Gustory is a return to its origins. Gedy was born producing household goods, including kitchen accessories, and then devoted itself over time exclusively to bathroom accessories.

The Gustory brand is the combination of "gusto" (taste) + "history": a tribute to our history, a contemporary look at everyday living.

Gustory, c'est un retour aux sources : Gedy est en effet né en produisant des articles ménagers, dont des accessoires de cuisine, puis s'est consacré au fil du temps exclusivement aux accessoires de salle de bains. La marque Gustory, c'est l'alliance du "gusto" (goût) + "history" (histoire): un hommage à notre histoire, un regard contemporain sur la vie de tous les jours.

Gustory ist eine Rückkehr zu den Ursprüngen:
Gedy wurde als Hersteller von Haushaltswaren,
einschließlich Küchenaccessoires, geboren und widmete
sich dann im Laufe der Zeit ausschließlich dem Badzubehör.
Die Marke Gustory ist eine Kombination aus "gusto" (Geschmack) + "history" (Geschichte):
eine Hommage an unsere Geschichte, ein zeitgenössischer Blick auf das tägliche Leben.

Gustory es una vuelta a los orígenes. De hecho,
Gedy nació produciendo artículos para el hogar,
entre ellos accesorios de cocina, y con el tiempo
se dedicó exclusivamente a los accesorios de baño.
La marca Gustory es la combinación de "gusto" (gusto) + "history" (historia):
un homenaje a nuestra historia, una mirada contemporánea a la vida cotidiana.

Gustory - это возвращение к истокам: Gedy родился
как производитель товаров для дома, в том числе кухонных
принадлежностей, а затем со временем посвятил
себя исключительно аксессуарам для ванных комнат.
Бренд Gustory - это сочетание "gusto" (вкус) + "history" (история):
дань уважения нашей истории, современный взгляд на повседневную жизнь.
